

ANTIBACTERIAL PEARL HAND SOAP

Pearl antiseptic white hand soap with antibacterial agent. It helps to maintain active and healthy life by killing harmful germs such as E. coli. and Staphylococcus aureus. Antibacterial Skin Cleanser is a mild antibacterial cleanser that is designed for everyday use. This economical formula combines high-sudsing with superior cleaning capabilities. It rinses away easily and offers rich emollients to help soften skin and prevent drying. Pearl hand soap contains pleasant pearl fragrance.
